INTERIM CONSENT ORDER

WHEREAS, Nancie Moran, of Farmington, Connecticut (hereinafter "respondent") has been issued certificate number 005860 to practice as an emergency medical technician (EMT) by the Department of Public Health (hereinafter "the Department") pursuant to Chapter 368d of the General Statutes of Connecticut, as amended; and,

WHEREAS, the Department has received information regarding respondent's alleged diversion of Percocet from hospital stock in August 2005, while she was working as a nurse in the Emergency Department of New Britain Hospital.

WHEREAS, it will be necessary to conduct further investigation, and the parties wish to provide for the protection of the public during the interim.

NOW THEREFORE, pursuant to §§19a-17 and 19a-180(b) of the General Statutes of Connecticut, the parties hereby stipulate to the following:

1. Respondent's certificate number 005860 to practice as an EMT shall be suspended until such time as the Board of Examiners for Nursing (Board) resolves Petition No. 2006-0126-010-007, which is based on the same set of facts.

2. Respondent shall surrender her EMT certificate number 005860 to the Department immediately upon her execution of this Interim Consent Order.
3. Respondent shall withdraw any pending application for renewal of her certificate immediately upon approval of this Interim Consent Order by the Department, and shall not apply for renewal of her certificate until resolution of the case before the Board in Petition No. 2006-0126-010-007.
4. Respondent shall execute releases for her treatment records, as requested by the Department.
5. This stipulation shall not deprive respondent of her right to a hearing on the merits of this case, nor shall it be construed as an admission of any fact or waiver of any right to which respondent may be entitled, other than as specifically provided for herein.
6. This Interim Consent Order shall become effective on the day it is ordered and accepted by the Department.
7. Respondent permits a representative of the Department to present this Interim Consent Order and the factual basis for this Consent Order to the Department. Respondent understands that the Department has complete and final discretion as to whether an executed Interim Consent Order is approved or accepted.
8. Respondent has had the opportunity to consult with an attorney prior to signing this document.
9. The execution of this document has no bearing on any criminal liability without the written consent of the Director of the Medicaid Fraud Control Unit or the Bureau Chief of the Division of Criminal Justice's Statewide Prosecution Bureau.

I, Nancie Moran, have read the above Interim Consent Order, and I agree to the terms set forth therein. I further declare the execution of this Interim Consent Order to be my free act and deed.
